

Osmos Glass Renovator Liquid

2 x 5L | OSM-GRL-2X5

Product Info

Colour: **Colourless to Pale**

Yellow

Fragrance: **Chlorine**

pH: **>13.5**

Shelf Life: **24 Months**

Brings clarity
back to
glassware.

Suitable for use
in all water
hardness areas.

Designed for use
with auto dosing
systems.

A highly alkaline detergent specifically designed for use with commercial glasswashing machines. Helps to remove protein and fatty films which can cause clouding, bringing clarity back to glassware.

Suitable for use in all water hardness areas and is effective even at low temperatures.

Not suitable for hand washing or for use on aluminium or polycarbonate.

Directions for use

For professional use only.

1. Use as a replacement for a glasswash detergent (such as Osmos Cabinet Glasswash) 1-2 times a week to renovate glassware.
2. This product is automatically dosed into the machine.
The dose rate will be set by our engineers depending on water hardness.
Typical use rates are around 2-4ml product per litre of rinse water.
