

Evolution EV8/X2 Window & Stainless Steel Cleaner

Cleans effectively
with a streak-free
finish.

Concentrated
formulation for
increased
economy in use.

Easily removes a
variety of soils,
such as dust and
finger marks.

A highly concentrated, window and stainless steel cleaner. Its highly effective formulation helps to remove grime, finger marks and atmospheric soiling's from glass surfaces, drying quickly to leave a streak-free finish. Surfaces can be further buffed to a high shine as desired.

Its fragrance-free formulation allows for use in food production areas such as display cabinets and stainless steel work tops.

Directions for use

For professional use only.

1. Spray onto a clean cloth or paper wipe.
2. Apply to the surface to be cleaned and wipe
3. Reverse the wipe and buff the area for a streak free shine.
Repeat as required.

Replacing the 325ml cartridges:

1. Insert the cartridge of the concentrate into the rear of the X2 trigger by pushing it straight up. Turn the locking lever into place.
2. Take the empty water cartridge and fill with clean, fresh water.
3. Line the water cartridge up with the grooves in the concentrate cartridge and push up into the front part of the trigger, Turn the locking lever into place.
