

edenclean Drain Maintainer

eden
clean

Effectively removes
grease and fats
from pipework and
grease traps.

Low hazard
alternative to
caustic or bleach-
based products.

Ideal for use in food
preparation areas,
to reduce cleaning
time of grease
traps.

A biological based drain maintainer. Utilises probiotic bacteria to release enzymes that effectively break down oils, fats and grease in pipework and grease traps. Reduces the time needed to clean out grease traps and prevents odours from pipework caused by blocked drains.

Can be dosed directly into the drains manually or through a battery powered dispensing unit.

2 x 5L | EDN-DM-2X5

Dispenser | ADS/BODD

Directions for use

For professional use only.

For use with a dispensing unit:

1. Attach bottle to the dosing unit.
2. Run machine.
3. Replace bottle as needed.

For manual dosing:

1. Dispense a 50ml shot directly into the drain. For best results, use overnight to allow the product more time to break down waste materials.

Product Info

Colour: **White**

Fragrance: **None**

pH: **7 – 8**

Shelf Life: **24 Months**
