 **SMOS**

2 x 5L | OSM-ASDD-2X5

Product Info

Colour: **Colourless to Pale Yellow**

Fragrance: **None**

pH: **12.5 – 13.5**

Shelf Life: **24 Months**

A concentrated, non-foaming, low caustic, dishwasher detergent specifically designed for use with commercial and industrial dishwashing machines. Added via an auto dosing system to the main wash stage of the wash cycle, it ensures the quick and efficient removal of grease and food soils from crockery, cutlery and glasses.

Suitable for use in all water conditions, on both aluminium and silverware.

Not suitable for hand washing.

Directions for use

For professional use only.

1. This product is automatically dosed into the machine.
The dose rate will be set by our engineers depending on water hardness.
Typical use rates are around 2-4ml product per litre of rinse water.
