

Easidose Window & Stainless Steel Cleaner

EASIDOSE
EVOLUTION SUPER CONCENTRATES

Cleans effectively
with a streak-free
finish.

Concentrated
formulation for
increased
economy in use.

Easily removes a
variety of soils,
such as dust and
finger marks.

A highly concentrated, window and stainless steel cleaner. Its highly effective formulation helps to remove grime, finger marks and atmospheric soiling's from glass surfaces, drying quickly to leave a streak-free finish. Surfaces can be further buffed to a high shine as desired.

It's fragrance-free formulation also allows for use in food production areas such as display cabinets and stainless steel work tops.

Directions for use

For professional use only.

1. Always dilute before use.
2. Fill 750ml refill flask to the fill line with clean, fresh water. Dispense 5-20ml product (0.6-2.7%) depending on level of soiling into the flask and lightly shake to mix.
3. Spray onto a clean cloth or paper wipe.
4. Apply to the surface to be cleaned and wipe
5. Reverse the wipe and buff the area for a streak free shine.
Repeat as required.

Refilling from 1L bottle system:

1. Remove the cap from the bottle and gently squeeze to fill the built in measuring cup.
2. After measuring, carefully pour the measured dose into a refill flask.
3. Fill to the line with clean, fresh water.
4. Re-attach the trigger spray and lightly shake the mixture, to ensure that it is fully diluted and ready for use.
