EVOLUTION
SUPER CONCENTRATES

3-in-1 formulation,
cleans, deodorises
and descales in
one action.

Concentrated
formulation for
increased
economy in use.

Thickens upon
dilution to create a
gel-based
formulation.

2 x 1.5L | EV9

12 x 500ml HDR |

EVOESD-9-RF-12X500

A highly concentrated, fragrance toilet cleaner gel. Ideal for daily use, cleaning toilets and urinals. Upon dilution the formulation thickens to a viscous gel, that clings well to washroom surfaces, allowing for improved cleaning performance. Helps to remove scale and other soiling's that may be present, leaving a fresh citrus scent after use to help dispel malodours.

Suitable for use on stainless steel, porcelain toilets and urinals.

Heavy duty refill flask utilises a precision nozzle for accurate application to surfaces.

Directions for use

For professional use only.

1. Always dilute before use.
Fill the refill flask to the fill line with clean, fresh water. Dispense 50ml product (10%) depending on level of soiling present, into the flask and lightly shake to mix.
2. Pour the ready to use solution around the rim of toilets and across the top part of urinals.
3. Use a brush to ensure the entire surface is coated with product.
4. Leave for up to 2 minutes before brushing away any stubborn soiling or stains.
5. Flush the toilet or urinal.

Reloading Pouch Pack:

1. Remove empty pouch from dispenser and dispose of responsibly.
2. Remove screw cap from new pouch.
3. Insert pouch into the Evolution Dispenser and depress locking cap firmly into pouch.
4. Lock cabinet. Pump until product is dispensed.
