

# Spray Hand Sanitiser

# CLEENOL

EST. 1948

Mild, yet highly effective formulation.

Effective against bacteria and enveloped in 60 seconds.

Contains added skin conditioning agents to prevent drying of hands.

A highly effective yet mild alcohol-based hand sanitising spray that quickly kills bacteria and enveloped viruses. It's fragrance-formulation makes it ideal for use in food preparation areas, as well as areas that require high levels of hand hygiene, such as non-clinical hospital areas. Dries quickly without leaving a tacky residue. Contains glycerine for added skin protection.

Also, available as a 5L refill pack for greater economy.

## Directions for use

1. Apply one to two dispenser portions to dry hands.
2. Work in thoroughly for 60 seconds, paying particular attention to fingernails and the area between fingers.
3. All hands to air dry. Avoid use on dry, cracked or cut skin.
4. Use regularly for maximum protection.

2 x 5L | 073334

3 x 800ml | 073323

## Product Info

Colour: **Blue**

Fragrance: **Alcohol**

pH: **7.5 – 8.5**

Shelf Life: **30 Months**
