

# Evolution EV3/X2 Antibacterial Multi- Surface Cleaner

4 x 325ml | EV3/X2

1 x 325ml | EV/X2START

2-in-1 product –  
cleans and  
disinfects in one  
action.

Effective against  
bacteria in 30  
seconds.

Fragrance- free  
formulation, ideal  
for use in food  
preparation areas.

A highly concentrated and economical disinfectant cleaner. Allows for easy cleaning and disinfection of most non-porous hard surfaces, helping to remove light levels of grease and grime. Its fragrance-free formulation makes it ideal for use in food preparation areas, including on worktops, microwaves, chopping boards and stainless steel surfaces.

## Directions for use

For professional use only.

1. Apply product directly to the surface or onto a cloth and wipe, paying particular attention to edges and corners.
2. Ensure that the surface is completely wet after application.
3. Leave for up to 30 seconds before rinsing or allow to air dry.  
Surfaces that may come into contact with food must be rinsed after application.

## Replacing the 325ml cartridges:

1. Insert the cartridge of the concentrate into the rear of the X2 trigger by pushing it straight up. Turn the locking lever into place.
2. Take the empty water cartridge and fill with clean, fresh water.
3. Line the water cartridge up with the grooves in the concentrate cartridge and push up into the front part of the trigger. Turn the locking lever into place.

## Product Info

Colour: **Red**

Fragrance: **None**

pH: **9.5 – 11.4**
