

Liquid Degrease

Effectively removes grease and grime from a wide range of hard surfaces.

Can be used through floor cleaning equipment.

Fragrance-free formulation, ideal for use in food preparation areas.

A concentrated, caustic based cleaner and degreaser, that quickly and easily removes high levels of oils and grease from non-porous hard surfaces including stainless steel and concrete floors. Suitable for use in a wide range of industrial areas such as food production areas, garages, workshops and factory floors.

Not suitable for use on aluminium.

Directions for use

For professional use only.

For general cleaning & degreasing:

1. Dilute 2.5 - 12% product with hot water (125 - 600ml per 5L water), depending on level of soiling present.
2. Apply with a brush or cloth to the surface to be cleaned.
3. Leave for up to 5 minutes, before scrubbing to loosen heavy deposits.
4. Rinse off with clean water or wipe with a clean, damp cloth.
5. Allow to air dry.

For use in scrubber driers:

1. Dilute to 2% with water (20ml per L water) and place in the machine's detergent tank.
2. Use machine as per manufacturers recommendations.
3. Leave floor to air dry.
