

# Combat Alcorinse

Effective against  
bacteria and  
enveloped in 60  
seconds.

Dries quickly  
without requiring  
to be rinsed.

Fragrance-free  
formulation, ideal  
for use in food  
production areas.

A highly effective yet mild alcohol-based hard surface sanitiser that quickly kills bacteria and enveloped viruses. It's fragrance-free formulation makes it ideal for use in food preparation areas, including ice machines as well as areas that require high levels of hygiene, such as non-clinical hospital areas. Dries quickly without requiring to be rinsed off.

Available as a 5L refill pack for greater economy.

## Directions for use

For professional use only.

1. Ensure that the surface is clean and free of debris before application.
2. Use undiluted.
3. Apply to surface to be cleaned by spraying or wiping.  
Paying particular attention to corners and under edges.
4. Ensure the surface is completely wet after application for at least 60 seconds.
5. Allow to air dry

For 5L refill packs:

Dispense into a heavy-duty refill flask using a 5L tap dispenser.
