

Osmos Dishwasher Tablets

6-in-1, multi-functional tablets.

Suitable for use in all water hardness areas.

Dissolvable packaging, minimising waste.

x100 | OSM-DTAB-100

Individually wrapped dishwasher tablets, for use with domestic dishwashers. The tablets have dissolvable packing to help minimise packing waste. Performing 6 functions when in use, including - washing, rinsing, water softening, glass protection, stain removing and stainless steel protection. Leaves a fresh citrus scent after use.

Suitable for use in all water hardness areas.

It is recommended to check manufacturer's instructions or to test wash single items to confirm suitability of items to be placed in an automatic dishwasher. Items such as lead crystal, antique or hand painted items (where the pattern is over the glaze) are not suitable for automatic dishwashing.
