

Crystalbrite Bio Laundry Detergent

CRYSTAL BRITE

Contains a fresh floral fragrance.

Excellent stain removal even when washing at low temperatures.

Helps to keep colours looking bright and fresh.

A concentrated, biological laundry liquid designed to remove most types of soiling. Can be used as a "one shot" liquid or in conjunction with other laundry additives for additional stain removal properties.

Includes enzymes to help boost stain removal even when used at low temperatures. Contains a floral fragrance to remove malodours from fabrics, leaving them smelling clean and fresh after every wash.

Free from substances known to be harmful to the environment such as phosphates, optical brightening agents, and EDTA.

Directions for use

For professional use only.

1. To be used in the main wash stage at a dose between 20-30ml per kg dry weight laundry. This dose can be reduced as low as 4-6ml when used in conjunction with other laundry additives*.

Can be used through an autodosing programme on larger machines or manually dosed into the dispensing drawer.

20L | CRAQ20

10L | CRAQ10

2 x 5L | CRAQ5
