

Mixxit Window & Stainless Steel Cleaner

Cleans effectively with a streak-free finish.

Easily removes a variety of soils, such as grime and finger marks.

Concentrated formulation, for more economical use.

A concentrated, window and stainless steel cleaner, formulated to give sparkling, streak-free results every time. Quickly and effectively cleans a wide range of soils including atmospheric grime, nicotine stains and fingerprints. Its concentrated formulation gives greater economy over a ready to use alternative.

Directions for use

For professional use only.

1. Dilute 30ml product per 750mL water (4%). Or if using a dosing unit, dispense 1 pump into a refill flask.
2. Apply to either a clean cloth or paper towel.
3. Wipe surface to be cleaned.
4. Buff surface for a streak-free finish.
5. Repeat as required.
