

Senses Reconditioning Universal Barrier Cream

Easily absorbed
formulation with a
non-greasy feel.

Formulated to
match the skin's
natural pH.

Fragrance-free
formulation, ideal
for use in food
preparation areas.

A smooth, white odourless lotion which protects the skin in three ways. By providing a barrier against a wide range of harmful substances, by reducing the effects of abrasion and by re-fattening and nourishing the skin. Suitable for frequent use, before and after work.

Free from silicone as well as china clay and similar fillers.

Directions for use

1. Apply a small amount to clean hands.
 2. Work into hands and skin till fully absorbed, paying particular attention to cuticles and webs of fingers.
- Avoid use on broken skin or sore patches, these should be treated with specialist creams.
