

Easidose Perfumed Floor Cleaner

EASIDOSE
EVOLUTION SUPER CONCENTRATES

Cleans effectively
with a streak-free
finish.

2-in-1 product –
cleans and
deodorises in one
action.

Leaves a
refreshing pine
scent after
cleaning.

A highly concentrated, pH neutral floor cleaner. Its highly effective formulation allows for easy cleaning of most non-porous hard surfaces, including marble, stone, sealed wood and terrazzo floors. Quickly and easily removes light to medium levels of dirt and grime from floors. Ideal for use in front of house areas, as it contains a fresh pine scent to help freshen rooms during and after cleaning.

Available with a heavy-duty refill trigger spray for spot cleaning of floors.

Contains the same fragrance as Easidose Air Freshener, allowing fragrance to be refreshed easily after cleaning.

3 x 1L | ED5/1L

6 x 750ml HDR |

Directions for use

For professional use only.

1. Always dilute before use.
Dilute 10-20ml (1-2%) per L water, into a bucket.
For use with a trigger spray, fill the refill flask to the fill line with clean, fresh water.
Dispense 5-20ml product (0.6-2.7%) depending on level of soiling into the flask and lightly shake to mix.
2. Apply product directly to the surface with a mop or onto a cloth and wipe.
3. Ensure that the surface is completely wet after application.
4. Leave for up to 1-2 minutes before rinsing or allow to air dry.

Refilling from 1L bottle system:

1. Remove the cap from the bottle and gently squeeze to fill the built in measuring cup.
2. After measuring, carefully pour the measured dose into a refill flask.
3. Fill to the line with clean, fresh water.
4. Re-attach the trigger spray and lightly shake the mixture, to ensure that it is fully diluted and ready for use.
