

Easidose Multi-Surface Cleaner & Degreaser

EASIDOSE
EVOLUTION SUPER CONCENTRATES

2-in-1 product –
cleans and
degreases in one
action.

Easily removes dirt
and grease from
hard surfaces.

Fragrance-free
formulation, ideal
for use in food
preparation areas.

A highly concentrated and economical hard surface cleaner and degreaser. Its highly effective formulation allows for easy cleaning of most non-porous hard surfaces, including stainless steel worktops, exterior areas of kitchen equipment, canopy hoods, hobs, sinks and floors. Ideal for use via a trigger spray or mop application. Helping to remove surface grease and grime with ease, leaving no scent behind, making it suitable for use in food preparation areas.

3 x 1L | ED2/1L

6 x 750ml HDR |
EVOESD-2-RF-6X750

Directions for use

For professional use only.

1. Always dilute before use.
2. Fill 750ml refill flask to the fill line with clean, fresh water. Dispense 5-20ml product (0.6-2.7%) depending on level of soiling into the flask and lightly shake to mix.
For use via a mop and bucket, dilute 10-20ml (1-2%) per L water.
3. Apply product directly to the surface or onto a cloth and wipe, paying particular attention to edges and corners.
4. Ensure that the surface is completely wet after application.
5. Leave for up to 1-2 minutes before rinsing or allow to air dry.

Refilling from 1L bottle system:

1. Remove the cap from the bottle and gently squeeze to fill the built in measuring cup.
2. After measuring, carefully pour the measured dose into a refill flask.
3. Fill to the line with clean, fresh water.
4. Re-attach the trigger spray and lightly shake the mixture, to ensure that it is fully diluted and ready for use.

Product Info

Colour: **Yellow**

Fragrance: **None**

pH: **9 – 10**

Shelf Life: **24 Month**
