

Mixxit Honeysuckle Air Freshener

MIXXIT

Rapidly dispels
malodours for
long lasting
freshness.

Concentrated
product for
economical use.

Comforting
honeysuckle
fragrance.

2 x 2L | MXX543

A concentrated, honeysuckle scented air freshener. Leaves behind a delicate and sweet aroma after use, dispelling unpleasant odours such as tobacco smoke and stale air. The concentrated formulation gives excellent economy in use compared to a ready-to-use alternative.

Not suitable for use in food preparation areas.

6 x 750ml HDR | MXX543/F

Directions for use

For professional use only.

1. Dilute 30-120ml product per 750mL water (4-16%), depending on level of fragrance desired. If using a dosing unit, dispense 1-4 pumps into a refill flask.
2. For best results, close windows and doors before spraying.
3. Spray product around fabrics, such as curtains.
Avoid spraying over areas of hard flooring, as this could create a slip hazard.
