

Crystalbrite Laundry Oil Emulsifier

CRYSTAL BRITE

Boosts stain removal in a single wash.

Reduces the need to pre-soak heavily soiled items.

Works best on oily and fatty deposits, such as suntan oils and creams.

An oil emulsifying laundry liquid designed to work alongside the detergent to boost stain removal. Ideal for use on items such as bedding, towels and robes to remove suntan oils and make up. As well as milk and creams from chefs' whites and tea towels.

Designed to be used with an auto-dosing system.

Directions for use

For professional use only.

1. To be used alongside a detergent in the main wash stage at a dose between 12ml per kg dry weight laundry.

Dose rates may be lowered when used in conjunction with an agreed Cleenol multi-product laundry dosing programme. *

*Speak to your Cleenol Engineer about a suitable laundry dosing programme.
