

Heavy Duty Degreaser

CLEENOL

EST. 1948

Effectively removes grease and grime from a wide range of hard surfaces.

Can be used through floor cleaning equipment or low-pressure sprayers.

Fragrance-free formulation, ideal for use in food preparation areas.

2 x 5L | CBBGS/5

6 x 750mL HDR |

CLE-HDD-RF-6X750

A concentrated, caustic based cleaner and degreaser, that quickly and easily removes grease, proteins and other soiling from non-porous hard surfaces including stainless steel. Suitable for use in a wide range of industrial areas such as food production areas, garages, workshops and factory floors.

Not suitable for use on aluminium.

Directions for use

For professional use only.

For general cleaning and degreasing:

1. Dilute 2% product with warm water (20ml per L water).
2. Apply with a brush or low misting spray. Agitate to loosen heavy deposits.
3. Rinse off with clean water or wipe with a clean, damp cloth.
4. Allow to air dry.

For use as a soak solution:

1. Dilute 4% product with warm water (40ml per L water).
2. Soak for up to 30 minutes, before scrubbing.
3. Rinse with clean water and allow to air dry.

For removing heavy grease or burnt on deposits:

1. Dilute 10% product with warm water (100ml per L water).
2. Apply with a brush or cloth. Agitate to loosen heavy deposits.
3. Rinse off with clean water or wipe with a clean, damp cloth.
4. Allow to air dry.
