

Impact

Effective against
99.999% bacteria
in 5 mins.

3-in-1 hard surface
disinfectant,
cleaner and
deodoriser.

Contains a fresh
floral scent, helps
to dispel
malodours.

A highly effective concentrated, fragranced disinfectant cleaner, for use on most non-porous hard surfaces. Ideal for use in areas where easy and efficient cleaning and sanitising is required, such as schools, offices, care homes and clinics. Can be used on a wide range of surfaces, including walls, paintwork, sinks, washrooms and bins. Leaves a fresh floral scent after use.

Not suitable for use in food preparation areas.

Directions for use

For professional use only.

Dilution rates for 5L concentrate:

1. For biocidal efficacy dilute to 3% (30ml per L water).
2. For general cleaning and deodorising, the dose rate can vary between 2-5% (20-50ml per L water) depending on amount of soiling present.

For use with a bucket or trigger spray:

1. Always test an inconspicuous area before use.
2. Apply to surface to be cleaned via mopping, spraying or by wiping. Paying particular attention to corners and under edges.
3. Ensure the surface is completely wet after application for at least 5 minutes.
4. Rinse or allow to air dry.

For use with a scrubber drier:

1. Dilute to 2-3% (20 - 30ml per L water).
2. Add to the detergent tank of the machine. Use machine as per manufacturer's instructions.
