

edencleen Laundry Liquid

eden
cleen

Fragrance and phosphate free formulation.

Can be used on its own or with other laundry additives.

Helps to keep colours looking bright and fresh.

A non-biological laundry liquid designed to remove most types of soiling. Can be used as a "one shot" liquid or in conjunction with other laundry additives for additional stain removal properties. Its fragrance-free formulation makes it suitable for use in food production areas on items such as overalls and tablecloths.

Formulated with responsibly sourced palm oil, to improve the sustainability of the product.

Free from substances known to be harmful to the environment such as phosphates, optical brightening agents, and EDTA.

2 x 5L | EDN-OPLD-2X5

Product Info

Colour: **Colourless**

Fragrance: **Detergent**

pH: **10.5 - 11.0**

Shelf Life: **24 Months**

Directions for use

For professional use only.

1. To be used in the main wash stage at a dose between 10-20ml per kg dry weight laundry. Stain removal can be boosted through the use of other laundry additives*.

Can be used through an autodosing programme on larger machines or manually dosed into the dispensing drawer.

*Speak to your Cleenol Engineer about a suitable laundry dosing programme.
