

Osmos Soft Water Cabinet Glasswash

2 x 5L | OSM-SWCG-2X5

Product Info

Colour: **Colourless**

Fragrance: **None**

pH: **10.5 – 11.5**

Shelf Life: **24 Months**

Easily removes
soils from
glassware.

Suitable for use
in soft water
areas.

Specifically
designed for use
with auto dosing
systems.

A concentrated glasswasher detergent specifically designed for use with enclosed cabinet glasswashing machines. Added via an autodosing system to remove soils such as lipstick from all types of glassware, without affecting beer head retention.

Low caustic formulation to prevent the etching of glassware.

Suitable for use in soft water areas, or where a water softener has been fitted to the machine. Use in conjunction with glasswashing rinse aids such as Osmos Cabinet Glasswash Rinse Aid.

Not suitable for hand washing.

Directions for use

For professional use only.

1. This product is automatically dosed into the machine.
The dose rate will be set by our engineers depending on water hardness.
Typical use rates are around 2-4ml product per litre of rinse water.
