

Easidose Perfumed Multi-Surface Cleaner

EASIDOSE
EVOLUTION SUPER CONCENTRATES

2-in-1 product –
cleans and
deodorises in one
action.

Easily removes dirt
and grime from
hard surfaces.

Contains a fresh
citrus scent to help
dispel malodours.

A highly concentrated and economical hard surface cleaner. Its highly effective formulation allows for easy cleaning of most non-porous hard surfaces, including worktops, sinks and floors. Ideal for use via a trigger spray or mop application. Helping to remove surface grime with ease, leaving a fresh citrus scent after use.

Not suitable for use in food preparation areas.

Directions for use

For professional use only.

1. Always dilute before use.
2. Fill 750ml refill flask to the fill line with clean, fresh water. Dispense 5-20ml product (0.6-2.7%) depending on level of soiling into the flask and lightly shake to mix.
For use via a mop and bucket, dilute 10-20ml (1-2%) per L water.
3. Apply product directly to the surface or onto a cloth and wipe, paying particular attention to edges and corners.
4. Ensure that the surface is completely wet after application.
5. Leave for up to 1-2 minutes before rinsing or allow to air dry.

Refilling from 1L bottle system:

1. Remove the cap from the bottle and gently squeeze to fill the built in measuring cup.
2. After measuring, carefully pour the measured dose into a refill flask.
3. Fill to the line with clean, fresh water.
4. Re-attach the trigger spray and lightly shake the mixture, to ensure that it is fully diluted and ready for use.
