

Crystalbrite Premium **CRYSTAL BRITE** Bio Laundry Detergent

Contains a fresh
floral fragrance.

Excellent stain
removal even
when washing at
low temperatures.

Helps to keep
colours looking
bright and fresh.

A highly concentrated, biological laundry liquid designed to remove most types of soiling. Can be used as a "one shot" liquid or in conjunction with other laundry additives for additional stain removal properties.

Includes enzymes to help boost stain removal even when used at low temperatures. Contains a floral fragrance to remove malodours from fabrics, leaving them smelling clean and fresh after every wash.

Free from substances known to be harmful to the environment such as phosphates, optical brightening agents, and EDTA.

Directions for use

For professional use only.

1. To be used in the main wash stage at a dose between 10-15ml per kg dry weight laundry. This dose can be reduced as low as 2-3ml when used in conjunction with other laundry additives*.

Can be used through an autodosing programme on larger machines or manually dosed into the dispensing drawer.

*Speak to your Cleenol Engineer about a suitable laundry dosing programme.
