

Heavy Duty Powder Degreasant

CLEENOL

EST. 1948

Effectively removes grease and grime from a wide range of hard surfaces.

Powder based product, for more efficient dosing.

Fragrance-free formulation, ideal for use in food preparation areas.

10kg | 031159

A caustic based cleaner and degreaser powder, that dissolves quickly to form an effective solution that removes grease, proteins and other soiling from non-porous hard surfaces including stainless steel with ease. Suitable for use in a wide range of industrial areas such as food production areas, garages, workshops and factory floors.

Not suitable for use on aluminium.

Product Info

Colour: **White**

Fragrance: **None**

pH: **>13 (1% solution)**

Shelf Life: **24 Months**

Directions for use

For professional use only.

For general cleaning and degreasing:

1. Dilute 50g product per 5L warm water.
2. Apply with a brush, cloth or mop. Agitate to loosen heavy deposits.
3. Rinse off with clean water or wipe with a clean, damp cloth.
4. Allow to air dry.

For use as a soak solution:

1. Dilute 250g per 5L warm water.
2. Soak for up to 30 minutes, agitating more stubborn deposits with a brush.
3. Rinse with clean water and allow to air dry.
