

Evolution EV12/X2 Virucidal Cleaner

One stage
cleaning and
disinfection
product.

Effective against
bacteria, yeasts
and enveloped
viruses in 5
minutes.

Fragrance-free
formulation makes
it ideal for use in
food preparation
areas.

4 x 325ml | EV12/X2

A highly concentrated and economical disinfectant cleaner. Its highly effective formulation allows for one-stage cleaning and disinfection of most non-porous hard surfaces. Its fragrance-free formulation makes it suitable for use in food preparation areas.

Directions for use

For professional use only.

1. Always test an inconspicuous area prior to use.
2. Apply product directly to the surface or onto a cloth and wipe, ensuring that the surface is completely wet after application.
3. Leave the product for up to 5 minutes before rinsing or allow to air dry. Surfaces that may come into contact with food must be rinsed after application.

1 x 325ml | EV/X2START

Replacing the 325ml cartridges:

1. Insert the cartridge of the concentrate into the rear of the X2 trigger by pushing it straight up. Turn the locking lever into place.
2. Take the empty water cartridge and fill with clean, fresh water.
3. Line the water cartridge up with the grooves in the concentrate cartridge and push up into the front part of the trigger. Turn the locking lever into place.
4. Before using, perform a few test sprays to ensure the cartridges are fitted correctly.

Product Info

Colour: **Red**

Fragrance: **None**

pH: **12.5 – 13.5**

Shelf Life: **36 Months**
