

Crystalbrite Alkaline Laundry Wash Booster

CRYSTAL BRITE

Boosts stain removal in a single wash.

Reduces the need to pre-soak heavily soiled items.

Works best on water and protein-based stains.

A concentrated, alkaline laundry liquid designed to work alongside the detergent to boost stain removal. Works best on water soluble and protein-based stains such as urea, sweat, grass and egg, to help remove stains in a single wash. These improved stain removal properties reduce the need to prewash or soak items.

Designed to be used with an auto-dosing system. NOT suitable for use by hand washing.

Directions for use

For professional use only.

1. To be used alongside a detergent in the main wash stage at a dose between 6-10ml per kg dry weight laundry. *

20L | CRAQ20

10L | CRAQ10
