

Combat Carb Plus

CLEENOL

EST. 1948

Effectively removes grease and grime from a wide range of hard surfaces.

Can be used as a boil solution or applied manually.

Fragrance-free formulation, ideal for use in food preparation areas.

A highly concentrated, caustic based cleaner and degreaser, that quickly and easily removes grease, proteins and other soiling from non-porous hard surfaces including stainless steel. Suitable for use in a wide range of industrial areas such as food production areas, garages and workshops.

Not suitable for use on aluminium or caustic sensitive surfaces,
Not suitable for application via spraying or misting.

Directions for use

For professional use only.

1. Dilute 0.5-1% product with water (5 - 10ml per L water).
When diluting always add product to water, not water to the product.
2. Use as either a boil solution or apply to the surface to be cleaned manually.
3. Rinse off with clean water or wipe with a clean, damp cloth.
4. Allow to air dry.

2 x 5L | CB921/5
