

Nova Liquid 99

CLEENOL

EST. 1948

pH neutral and
fragrance-free
formulation.

Can be applied by
spray, mop, wipe or
with floor cleaning
machines.

Suitable for use on
a wide variety of
flooring types.

A highly concentrated, pH neutral floor cleaner that can also be used to clean other hard surfaces such as walls, plastic and work tops. Its fragrance-free formulation makes it suitable for use in food preparation areas. Suitable for use on safety floors such as Altro and Polyflor.

Suitable for use on a wide range of flooring types including stone, marble, vinyl, sealed wood, sealed cork, asphalt, linoleum and rubber.

2 x 5L | BN1073

Directions for use

For professional use only.

1. Depending on the level of soiling present dilute the product with either hot or cold water:
Light to medium cleaning – 30-50ml per 5L water (0.6-1% dilution)
Heavy soiling – 100-350ml per 5L water (2-7% dilution)
For use in scrubber driers – dilute 2% in warm water and add to the detergent tank.
2. Apply to the surface to be cleaned via spray, mop, wiping or floor machine.
3. Allow the product to sit for up to 2 minutes before wiping clean.
4. Rinse or wipe over with a clean cloth to remove any excess dirt and product.
5. Allow to air dry
Floors can be buffed to a shine if desired.
