4 x 325ml | ECO-EV8-X2

An efficient solvent based cleaner, that easily cuts through dirt and grime on glass windows and surfaces for a sparkling finish. Suitable for use on stainless steel surfaces to clean and polish, where a streak-free finish is required. Made using a phosphate-free formulation, that has been certified under the EU Ecolabel.

1 x 325ml | EV/X2START

Directions for use

For professional use only.

1. Always test on an inconspicuous area prior to use.
2. Apply product either directly onto the surface or onto a clean cloth.
3. Wipe the surface to be cleaned.
4. Buff the surface with a clean wipe or cloth for a streak-free finish.
5. Repeat as required.

Replacing the 325ml cartridges:

1. Insert the cartridge of the concentrate into the rear of the X2 trigger by pushing it straight up. Turn the locking lever into place.
2. Take the empty water cartridge and fill with clean, fresh water.
3. Line the water cartridge up with the grooves in the concentrate cartridge and push up into the front part of the trigger, Turn the locking lever into place.
