

Alcohol Wipes

CLEENOL

EST. 1948

Quick drying, no
rinse formulation.

Effective against a
wide range of
microorganisms.

Fragrance-free
formulation, ideal
for use in food
preparation areas.

6 x 200 | 13646AW

Alcohol based disinfecting wipes, ideal for the quick and easy disinfection of a wide range of non-porous hard surfaces. Suitable for use in a wide range of areas such as schools, restaurant, reception areas and food preparation areas, with it's quick drying no-rinse formulation.

Directions for use

For professional use only.

1. Ensure the surface is clean and free from debris before use.
2. Remove a wipe from the container.
3. Wipe over the surface to be cleaned in an 'S' shaped pattern for maximum coverage.
If the wipe becomes dry or soiled, discard and replace with a fresh wipe.
4. Leave the surface to air dry.
Ensure the container is closed after use to prevent the wipes from drying out.
