

Evolution Perfumed Multi-Surface Cleaner

Description

A highly concentrated formulation designed as a versatile washroom and general purpose cleaner with a fresh citrus fragrance. Ideal for the cleaning of all hard surfaces and floors. Developed for use via a trigger spray and mop bucket application.

Recommended dilutions will be dependent on the condition and soiling level of the floor and surfaces to be cleaned.

Super concentrated for greater economy in use and a reduced carbon footprint.

Directions For Use

Specially designed for use through the Cleenol Evolution dispensing systems. The product may be dispensed by the Evolution system into the 750ml flask at a rate of 5ml (light soiling), 10ml (light to moderate soiling), 15ml (moderate to heavy soiling) or 20ml (heavy soiling), depending upon the strength of finished product required.

For a mop & bucket application - use between 10 and 20ml per mop bucket based on soiling level of the floor and surfaces to be cleaned and depending on the size of the bucket, which can range from 8L to 20L.

Product Codes

EV10

Storage

Store in cool conditions away from direct sources of heat.

Avoid extremes of temperature.

Do not allow to freeze.

Keep out of reach of children.

Shelf Life

Shelf life 24 months, if stored as recommended.
