

Easidose Perfumed Floor Cleaner

Description

A pH neutral, highly perfumed hard floor cleaner containing an invigorating perfume to refresh any area in which it's used. Suitable for use on marble and stone floors with polished or natural finishes. With each product in the range you get the incredible cleaning power of our Evolution Concentrates, with the added benefit of being incredibly easy to dispense an accurate, measured dose for dilution. It's tough to know exactly how well a product will perform without trying it before. The beauty of our concentrates means that if the job requires a slightly stronger or weaker solution, we give you the dosage instructions to match.

Directions For Use

Refilling from the Easidose Bottle System: Dose rate 5, 10, 15 or 20 ml 5 L of warm water, depending on the degree of soiling. Remove the cap from the bottle and gently squeeze to fill the built in measuring cup. After measuring, carefully pour the measured dose into the bucket. Fill the bucket with 5 L of warm water. The mixture is now ready to use. Instructions for use: 1. Apply to a clean mop. 2. Apply to surface to be cleaned. 3. Rinse and strain mop, then mop away excess liquid 4. Allow to air dry or buff to a finish.

Product Codes

ED5/1L, EVOESD-5-RF-6X750

Storage

- Store in cool conditions away from direct sources of heat.
- Avoid extremes of temperature.
- Do not allow to freeze.
- Ensure the cap is tightly fitted after use.
