

Evolution X2 Perfumed Multi-Surface Cleaner

Description

Part of the Evolution X2 Range - an easy to use, lightweight spray system which instantly mixes water and a concentrate without the need to measure. No need for wall mounted dispensers or professional installers. One cartridge produces the equivalent of over 12x750ml ready to use triggers.

A highly effective multipurpose cleaner. The product has a fresh citrus fragrance, making it ideal for use in front of house environments. For spray cleaning of sanitary fittings including toilets, urinals, sinks and showers. Safe for use on stainless steel and all ceramic surfaces. Always test on an inconspicuous area prior to use.

Directions For Use

Insert the cartridge containing Perfumed Multi-Surface Cleaner into the rear position of the X2 Spray System. Turn the locking mechanism to securely hold the cartridge in place. Fill the water cartridge with cold water from the tap. (Keep the cartridge so you can reuse it). Insert the full water cartridge into the front of the X2 Spray System ensuring that the cartridge locks into place securely against the concentrated product cartridge.

For heavily soiled, horizontal surfaces spray the product directly on to the surface to be cleaned and leave for 2 - 3 minutes. Wipe away with a clean cloth or paper towel.

For lighter soiling or vertical surfaces, spray on to a clean paper towel and wipe the surface to be cleaned.

Product Codes

EV10/X2

Storage

Store in cool conditions away from direct sources of heat.

Avoid extremes of temperature.
