

edenclean No-Rinse Floor Degreaser

Description

Designed to effectively remove grease and fats from floors that have become slippery. Enzymes digest impregnated grease deposits, making floors both cleaner and safer.

Cleaning time is saved without the need to rinse the product away, simply allow to air dry.

Suitable for use on most types of flooring including Altro, ceramic, tiles and etc.

Directions For Use

Where high levels of grease are encountered the product should be diluted to 5% (50 ml of product per L of clean water).

For lower levels of grease, a 1% dilution will be sufficient (10 ml of product per L of clean water).

Apply the product via mop or a scrubbing machine and allow to air dry.

Note, do not use hot water to dilute the product.

Product Codes

EDN-NRFD-2X5

Storage

Store in cool conditions away from direct sources of heat.

Avoid extremes of temperature.

Do not allow to freeze.

Ensure the cap is tightly fitted after use.

Keep out of reach of children.

Shelf Life

Shelf life 24 months, if stored as recommended. Use within 6 months of opening.

Environmental

This product is believed not to be dangerous to the environment with respect to mobility, persistency and degradability, bio-accumulative potential, aquatic toxicity and other data relating to ecotoxicity. However, do not allow large quantities of neat product to enter surface waterways.

Notes

Packaging is made from recycled materials.
