

## edenclean Drain Maintainer

### Description

An enzyme based product designed to breakdown oils, fats, grease and other organic matter impeding drainage systems or grease traps.

An excellent low-hazard alternative to aggressive caustic and bleach based products. This product contains naturally derived materials.

As a result, product colour may vary and a small amount of sedimentation is to be expected, This is normal and does not impact the performance of the product.

### Directions For Use

This product is designed for use through a Cleenol dosing system.

Applied straight into the drain through daily metered dosing.

If manually dosing a single 50ml dose may be applied straight into the drain to be left overnight.

### Product Codes

EDN-DM-2X5

### Storage

Store in cool conditions away from direct sources of heat.

Avoid extremes of temperature.

Do not allow to freeze.

Ensure the cap is tightly fitted after use.

Keep out of reach of children.

### Shelf Life

Shelf life 24 months, if stored as recommended. Use within 6 months of opening.

### Environmental

This product is believed not to be dangerous to the environment with respect to mobility, persistency and degradability, bio-accumulative potential, aquatic toxicity and other data relating to ecotoxicity. However, do not allow large quantities of neat product to enter surface waterways. Phosphate-free.
