

PRODUCT USE GUIDE FOR EVOLUTION X2 DOUBLE AGENT SURFACE CLEANER & SANITIZER DA/X2

Product Description

Part of the Evolution X2 Range - an easy to use, lightweight spray system which instantly mixes water and a concentrate without the need to measure. No need for wall mounted dispensers or professional installers. One cartridge produces the equivalent to over 12x750ml ready to use triggers.

Product Features

- A major innovation designed to reduce the risk of disinfectant resistant bacteria. Supplied in two colour-coded formulations - each containing a different disinfection system. Rotating the two products reduces the risk of bacteria developing a resistance to the agents designed to destroy them. A versatile, highly effective, non-perfumed, hard surface cleaner. Ideal for application where food is processed, stored or in transit.
- Complies with BSEN1276.
- Kills 99.9% germs in 30 seconds.
- Regulation (EC) No 396/2005 Maximum Residue Levels. The biocide in this product (Benzalkonium Chloride -red formulation or Didecyl dimethyl ammonium chloride -blue formulation) has an MRL of 0.1ppm. And therefore food preparation surfaces must be rinsed thoroughly with clean water after disinfection.

Direction for Use

- Wipe surface area to be cleaned, removing all debris.
- Apply product to paper wipe.
- Wipe surface to be cleaned, paying attention to under edges and corners.
- Repeat steps 2 and 3 for effective surface coverage. Rinse
- Allow to air dry.

How to Use:

- Insert the cartridge containing Double Agent into the rear position of the X2 Spray System. Turn the locking mechanism to securely hold the cartridge in place.
- Fill the water cartridge with cold water from the tap. (Keep the cartridge so you can reuse it).
- Insert the full water cartridge into the front of the X2 Spray System ensuring that the cartridge locks into place securely against the concentrated product cartridge.

Storage

- Store in cool conditions away from direct sources of heat
- Avoid extremes of temperature
- Do not allow to freeze
- Ensure the cap is tightly fitted after use
- Keep out of reach of children
