

Easidose Antibacterial Perfumed Multi-Surface Cleaner

Description

A super concentrated blend of detergents, naturally derived acids and a quaternary ammonium compound based disinfectant. In one operation, it cleans, sanitises and deodourises, eliminating the need to have multiple products. Suitable for use on all acid-tolerant surfaces. Contains a refreshing orange scented perfume. It's concentrated nature makes the product economical in use, whilst reducing the carbon footprint of the product. Use disinfectants safely. Always read the label and product information before use. With each product in the range you get the incredible cleaning power of our Evolution Concentrates, with the added benefit of being incredibly easy to dispense an accurate, measured dose for dilution. It's tough to know exactly how well a product will perform without trying it before. The beauty of our concentrates means that if the job requires a slightly stronger or weaker solution, we give you the dosage instructions to match.

Directions For Use

When diluted to 2.7% (20 ml per 750 ml) this product conforms to EN1276, under dirty conditions with a 5 minute contact time. For lighter duty cleaning, where antibacterial activity is not required, the product can be dosed at 5, 10 or 15 ml.

Refilling 750 ml Flask: Fill flask to line level with clean fresh cold water from a tap. Remove the cap from the bottle and gently squeeze to fill the built in measuring cup. After measuring, carefully pour the measured dose into the pre-filled flask. Re-attach the trigger spray head and lightly shake mixture to fully dilute. The mixture is now ready to use. Instructions for use: 1. Apply product to a clean cloth or paper towel. 2. Apply to surface to be cleaned. 3. Rinse surface thoroughly with clean water. 4. Allow to air dry or buff to a finish.

Product Codes

ED11/1L, EVOESD-11-RF-6X750

Storage

Store in cool conditions away from direct sources of heat.

Avoid extremes of temperature.

Do not allow to freeze.

Keep out of reach of children.

Shelf Life

Shelf life 24 months, if stored as recommended.

Use within 6 months of opening.

Environmental

Neat product will cause damage to plant and animal life.

Do not allow neat product enter surface waterways as serious ecological damage may be caused.

In the event of a large spillage, contact the local water authority or Environment Agency immediately.

This product uses recyclable packaging.

It contains no Phosphates.
