

Poolside Cleaner & Descaler

Description

A highly effective poolside cleaner & descaler, designed to remove water scale and body fats from poolside, wet areas, tiles, walls, and poolside fixtures and fittings. Ideal for use in health clubs, sports centres, leisure centres, changing rooms, shower areas and swimming pools.

Directions For Use

For professional use only.

For medium to light scaling of swimming pool sides, dilute 1 part product to 5 parts water.

For severe scale, use undiluted.

Apply using a mop cloth or machine, taking care to minimize any contamination of the pool. Leave for a few minutes, allowing the product to react. Rinse well with clean water. Repeat the process as needed.

Avoid contact with acid-sensitive materials.

Product Codes

CLE-PCD-2X5

Storage

Store in cool conditions away from direct sources of heat.

Avoid extremes of temperature.

Do not allow to freeze.

Ensure the cap is tightly fitted after use.

Keep out of reach of children.

Shelf Life

Shelf life 24 months, if stored as recommended.

Use within 6 months of opening.

Environmental

Neat product may cause damage to plant and animal life.

Do not allow large quantities of neat product to enter surface waterways as serious ecological damage may be caused.

In the event of a large spillage, contact the local water authority or Environment Agency immediately.

This product uses recyclable packaging.
