

Mixxit Perfumed 2-in-1 Floor Maintainer

Description

A two-in-one cleaner and maintainer. A powerful blend of detergents works to remove ingrained soiling, while a wax additive helps repair and protect sealed floors. Suitable for use as a mopping fluid on vinyl, linoleum, thermoplastic, wood, sealed wood, sealed cork, terrazzo and marble floors, etc. It can also be used for spray-cleaning. Dries to a pleasing finish without buffing. This can be further enhanced through burnishing.

Directions For Use

Dilute with water at 1 pump per 750ml trigger bottle or a 4% dilution when used through the automatic mixing pump. For bucket application dilute with water at 5 pumps per 4L bucket of hot water. Apply by damp mop or applicator. Rinse out mop frequently to remove soiling. When dry, burnish the floor with the machine and floor pad. For spray cleaning, use same dilution with a hand spray. Spray a fine mist onto the floor and burnish until dry.
