

## Evolution Perfumed Antibacterial Bath & Washroom Cleaner

### Description

Specially designed for use through the Cleenol Evolution dispensing system. A 4-in-1 product that cleans, disinfects, removes limescale and deodorises in one operation. It effectively removes natural oils, soap deposits and general soil from baths, sinks, showers, WCs, tiles, glass screens and hard floor coverings. It helps to prevent hard water deposits from forming on surfaces, using a naturally derived acid and leaves a refreshing mild citrus fragrance to deodorise the room. Conforms to EN1276 when diluted to 2.7% (20 ml per 750 ml flask). Super concentrated for economy in use and a reduced carbon footprint. Use biocides safely and sustainably. Always read the label and product information before use.

### Directions For Use

The product may be dispensed by the Evolution system into the 750ml flask at a rate of 5ml, 10ml, 15ml or 20ml, depending upon the strength of finished product required.

Apply product to a clean, damp, sponge / cloth. Apply to wetted surface to be cleaned. Rinse surface thoroughly with clean water. Allow to air dry or buff to a finish.

Refilling 750ml Flask

Following bottle filling directions on Product System Chart. When empty, fill to top line of bottle.

Reloading 1.5L Pouch

(1) Remove empty pouch from dispenser and dispose of as normal waste. (2) Remove screw cap. (3) Insert pouch in Evolution Dispenser No. 6. (4) Depress locking cap firmly into pouch. (5) Lock cabinet. (6) Insert over-rider key and pump until product is dispensed (ensure flask is in place).

### Product Codes

EV6

### Storage

Store in cool conditions away from direct sources of heat. Avoid extremes of temperature. Do not allow to freeze. Keep out of reach of children.

### Shelf Life

Shelf life 24 months, if stored as recommended. Use within 6 months of opening.
