

Evolution X2 Multi-Surface Cleaner & Degreaser

Description

Part of the Evolution X2 Range - an easy to use, lightweight spray system which instantly mixes water and a concentrate without the need to measure. No need for wall mounted dispensers or professional installers. One cartridge produces the equivalent of over 12x750ml ready to use triggers.

Suitable for use in food-preparation areas. A highly effective multi-surface cleaner with excellent grease and oil removing properties.

Can also be used for commercial deep-fat fryers, walls, floors and canopy filters. Cleans hard surfaces such as paintwork, metals and plastic.

Directions For Use

Insert the cartridge containing Multi-Surface Cleaner & Degreaser into the rear position of the X2 Spray System. Turn the locking mechanism to securely hold the cartridge in place. Fill the water cartridge with cold water from the tap. (Keep the cartridge so you can reuse it). Insert the full water cartridge into the front of the X2 Spray System ensuring that the cartridge locks into place securely against the concentrated product cartridge.

For heavily soiled, horizontal surfaces spray the product directly on to the surface to be cleaned and leave for 2 - 3 minutes. Wipe away with a clean cloth or paper towel.

For lighter soiling or vertical surfaces, spray on to a clean paper towel and wipe the surface to be cleaned.
