

PRODUCT USE GUIDE FOR FABRIC FRESHENER C24

Product Description

Contains molecular locking technology which eliminates odours rather than simply masking them. Malodours are locked within the molecules of the product completely banishing them. The only odour that can be detected is the refreshing fragrance.

Direction for Use

- Spray directly into the air or directly onto surfaces where unpleasant odours linger.
- Spray onto curtains and furniture harboring cooking smells, cigarette smoke, and pet smells etc.
- Recommended for household, sanitary areas, pet care and refuse bins.

Storage

- Store in cool conditions away from direct sources of heat
- Avoid extremes of temperature
- Do not allow to freeze
- Ensure the cap is tightly fitted after use
- Keep out of reach of children

Shelf Life

- Shelf life 24 months, if stored as recommended.
- Use within 6 months of opening.

Environmental

- Do not allow large quantities of neat liquid to enter surface waterways.
- This product uses recyclable packaging. The detergents used in the formulation are biodegradable to EU guidelines under the detergents regulations (EC) No 648/2004.
- It contains no Phosphates.
- None of the components of this product are animal derived.
