

# PRODUCT USE GUIDE FOR CRYSTALBRITE AQUAMARINE BIO LIQUID LAUNDRY DETERGENT CBAQU

## Product Description

A biological liquid detergent which has been designed for most types of soiling. The product has excellent stain removal properties even at temperatures as low as 30°C, which greatly reduces or eliminates the need for re-washing or pre-soaking.

## Direction for Use

- Use through Cleenol autodosing equipment or may be fed manually.
- Use rates vary according to the type and amount of soil present and whether it is being used as a "one shot" liquid or in conjunction with an additional stain removal agent such as Cleenol Destain.
- Quantities required are in the region of 10-15ml / kg dry weight of laundry.

## Storage

- Store in cool conditions away from direct sources of heat
- Avoid extremes of temperature
- Do not allow to freeze
- Ensure the cap is tightly fitted after use
- Keep out of reach of children

## Shelf Life

- Shelf life 24 months, if stored as recommended.
- Use within 6 months of opening.

## Environmental

- Do not allow large quantities of neat liquid to enter surface waterways as ecological damage may be caused.
- In the event of a large spillage, contact the local water authority or Environment Agency immediately.
- This product uses recyclable packaging. The detergents used in the formulation are biodegradable to EU guidelines under the detergents regulations (EC) No 648/2004.
- It contains no Phosphates.
- None of the components of this product are animal derived.
