

Mixxit Honeysuckle Air Freshener

Description

Leaves behind a fresh and clean honeysuckle fragrance after every use. Rapidly dispels bad odours including tobacco smoke and stale air leaving behind a residual fragrance that enhances any environment. Not suitable for use in food preparation areas.

Directions For Use

Dilute with water at 1-4 pumps per 750 ml trigger bottle or a 4-16% dilution when used through the automatic mixing pump. For best results, ensure doors and windows are closed. For best results, spray product around fabric. Avoid spraying over areas with hard flooring, as this can create a slip-hazard.

Product Codes

MXX543

Storage

Store in cool conditions away from direct sources of heat. Avoid extremes of temperature. Do not allow to freeze. Ensure the cap is tightly fitted after use. Keep out of reach of children.

Shelf Life

Shelf life 24 months, if stored as recommended. Use within 6 months of opening.

Environmental

Neat product will cause damage to plant and animal life.

Do not allow large quantities of neat product to enter surface waterways as serious ecological damage may be caused.

In the event of a large spillage, contact the local water authority or Environment Agency immediately.

This product uses recyclable packaging.

Phosphate-free.
